Ben Lai

"I Can" by Ben Lai

Embark on a journey of discovery around Singapore as you learn about the island nation's most famous landmarks and icons.

The story stars a young girl who proudly proclaims "I can" as she engages in fun activities in her interaction with these places and objects. A sense of ableness and independence is thereby conveyed to young readers. Featured are the Dragon Playground, kaya toast, Sir Stamford Raffles and Gardens by the Bay, among others.

An illustrated glossary at the end of the book extends your child's enjoyment, as they return to prior pages in search of the highlighted objects.

"I Can" is a delightful introduction to life in Singapore for early readers. This is a book for every child growing up here.

About the author

Ben Lai is a freelance designer and illustrator based in Singapore. Having trained in industrial design and worked as a digital artist in the entertainment industry, he eventually devoted himself to making picture books after the birth of his first daughter. He draws inspirations from things that enable us to appreciate our relationships with our surroundings and with people better.
